ABOUT The GALA

We are raising funds for our outreach services and expanding partnerships as we work towards fulfilling our dream to have a community hub in Surrey. We are bringing together community members, partner organizations including government, and key stakeholders who will have a chance to highlight their services.

About Us

SACH is a non-profit organization offering wrap around services for individuals and families facing health and social challenges. Our mission is to foster the health and well-being of underserved diverse communities living in British Columbia by providing low-barrier services, counselling, and advocacy through a South Asian perspective. We envision these communities to be strong, healthy, and thriving. Our values are to deliver services in a manner that is safe, accepting, compassionate, and holistic.

WHY SPONSOR?

Visibility: Your brand will be prominently featured in all promotional materials, including event program, social media posts, and press releases.

Networking Opportunities: Connect with influential individuals, community leaders, and potential clients/customers.

Social Responsibility: Demonstrate your commitment to social causes and community development.

Exclusive Benefits: Depending on the sponsorship level, enjoy perks such as VIP tables, logo placement on event banners, and recognition during the event.
